Remarks

Designed and built by Renew Design Build, this distinctive new 1.5-story home offers over 4,000 square feet of beautifully finished living space in one of Prairie Village's most sought-after neighborhoods. Known for creating homes with character rather than cookie-cutter designs, Renew blends timeless architecture with modern functionality. The main level welcomes you with European White Oak floors, a dramatic vaulted great room with stained beams and fireplace, a private study, formal dining room, and an open kitchen designed for both entertaining and everyday living. The kitchen features custom cabinetry, an oversized island, walk-in pantry with beverage refrigerator, premium appliance package, and seamless access to the screened porch. The main-floor primary suite offers a peaceful retreat with heated tile floors, a freestanding soaking tub, walk-in shower, and direct access to the laundry room. Upstairs, each of the three secondary bedrooms includes its own en-suite bath and walk-in closet, complemented by a central loft and second laundry room. The finished lower level expands the living space with a large recreation room, wet bar, fifth bedroom, full bath, and abundant storage. Quality construction includes Andersen windows, Hardie siding, a high-impact composite
